WITH COMPLIMENTS FROM THE BAR

ON THE ROCKS

Butters

Our best selling and most beloved Old Fashioned twist so far. Butter washed bourbon, vanilla liqueur, muscovado sugar and bitters. The result is a butterscotch-like punch in the face.

- IVAN PERFILIEV, 2016, BARABICU.

Wolf of Kreuzberg

Dennis Wolf (who works in Kreuzberg) spent two fantastic weeks behind the bar here at Barabicu and this concoction of vodka, ginger and cucumber is an ode to him.

- DENNIS WOLF, 2014, BARABICU.

Vieja Plaza

Smokey, fruity, sweet and stiff. This cocktail is a slow sipper with lots of different layers of flavour. The combination of mezcal and celery bitters ties everything together. This fantastic cocktail was invented at Barabicu and afterwards brought itself onto drinklists all over.

- LEO LAHTI, 2014, BARABICU.

SERVED LONG

Hipster Collins

In the upswing of the hipster era our bartender Leo Lahti decided to twist his moustache and shake up this banger cocktail. We can't give him too much credit though, it's hard to fail with bourbon, Campari, lemon, honey and a nice floral IPA.

- LEO LAHTI, 2014, BARABICU.

7-7-3 Bloody

A long time ago in a bar far, far away we were trying to come up with the best Bloody Mary recipe, when Jonatan stepped into the bar and claimed to be the chosen one. Since then we've all been making our Bloody Marys his way.

- JONATAN BERKO, LIEBLING, 2014.

Veneto Fizz

This is spring in a glass, no more, no less. A perfectly balanced fizzy mix of sweet and sour with hints of cherry, rhubarb and orange.

- LEO LAHTI, 2014, BARABICU.

THE BEST OF BRBC 2013 - 2016

SERVED UP

The Blinker

This pretty little pink and almost forgotten Rye cocktail with grapefruit and a hint of raspberry made our first summer at Barabicu a huge pain in the a*s!

- UNKNOWN, 1930'S, USA.

Venice of the north

This stiff cocktail is the brain child of our bartender-turned-doctor Elias. A backbone of genever, a healthy dose of Fernet for bitterness and apricot liqueur for roundness and some sweetness provides you with the only medicine you'll ever need.

- ELIAS DITLEVSEN, 2014, BARABICU.

Haribo Peach Crusta

We like candy and we like drinks so we put the two of them together in this sour, beautiful little tequila cocktail.

- IVAN PERFILIEV, 2016, BARABICU.

Gin Fix

Sometimes bartenders reinvent classic cocktails with just a small tweak or two and the result is an instant smash hit! Gin and pink grapefruit liqueur is shaken up with some lemon, orange flower water and orange bitters. The result is a perfectly balanced citrus forward cocktail.

- MARTIN ALEXANDERSSON, 2013, BARABICU.

Bartenders tip

Aperol, mezcal, Green Chartreuse, lime and sugar. So many guests enjoyed the Tip, there were no doubts we had to bring it back to our Bestseller List.

- JULIUS HOPF, 2015, BARABICU.

Bourbon Smash

Our most sold cocktail of all times! Without it, Barabicu probably wouldn't be the Barabicu we know and love today. Bourbon, cointreau, lemon, sugar and mint. Simple, refreshing and delicious.

- UNKNOWN, 1880'S, USA.
